Thriving Educational Publishing Business: 20+ Years of Excellence

BCI Business Brokers is excited to present a unique opportunity to acquire a highly respected business specialising in premium educational products and services. With over two decades of success, this business has become a go-to supplier for top-tier schools and universities across Australia.

Key Business Highlights:

* Industry Leader Trusted by independent schools, grammar institutions, and universities nationwide

* Repeat Clientele 80% of revenue from loyal, long-term customers

* Premium, Customised Products A clear point of difference that commands premium pricing

* Strong Profit Margins Efficient operations and high-quality offerings result in healthy returns

* Expansion Ready Scale nationally or diversify into new product categories

* Reliable Supply Chain Well-established supplier relationships ensure consistent delivery and quality

Market & Growth Potential:

Operating in a niche yet growing segment of the education sector, this business services institutions that prioritise custom branding, compliance, sustainability, and student-focused organisation. With rising demand for digital solutions and eco-friendly products, there's significant potential to expand offerings and grow the client base.

Why Buy This Business?

* Established Brand with a Trusted Reputation

* Turnkey Operation with Experienced Processes

* Owner Transitioning to a New Venture Smooth Handover Assured

* Ideal for Strategic Buyers, Investors, or Passionate Entrepreneurs
