Skincare & Advanced Skin Repair Technology Business - 5894

Step into the future of professional skincare with one of Australia's most respected and pioneering brands. Established over 40 years, this business is synonymous with innovation, scientific credibility, and results-driven skincare that has shaped the aesthetics industry for decades.

From introducing Vitamin C and Hyaluronic serums to Australia, to pioneering chirally-correct actives and advanced dermal solutions, this business has continually been first to market with globally recognised breakthroughs. Its reputation, trading history and product credibility position it as a standout acquisition opportunity for strategic buyers, distributors, pharmaceutical groups, national clinic chains, or growth-minded entrepreneurs.

A True Industry Leader

Actively engaged in global cosmetic science and international research, the business has consistently delivered the newest and most effective skincare innovations to the Australian market.

It holds historic first-introductions to Australia including:

- Enzyme-based formulations
- Epidermal Growth Factors
- Glycolic Polymer Peels
- Chirally Correct Skincare
- Vitamin C, Hyaluronic & Chiral-A serums (years ahead of mainstream adoption)

This depth of innovation has created a high-value brand, trusted by clinics, salons, skin professionals, and premium equipment suppliers nationwide.
Comprehensive Product & Technology Range

A complete "one-stop" offering combining:

- * Active cosmeceutical skincare
- * High-end Skin Repair equipment

Ideal for advanced clinics, medical spas, at-home studios, or national franchise groups.

Equipment categories include:

- Medical-grade Laser & IPL Platforms
- High-Intensity Focused Ultrasound (HIFU)
- Cryotherapy devices
- Radio Frequency
- Ultrasound technologies
- And a full suite of professional treatment solutions

All sourced from premium medical manufacturers and supported through the business' long-

established procurement network.

Key Investment Features

Trading since 1981 - unrivalled brand heritage

Highly valuable IP, trademarks & product formulations

Strong trading history

450sqm quality leased premises available

Net rent only \$1,385 per week + outgoings

Australian-owned, Queensland-based sourcing & operations

Diverse revenue streams from skincare, equipment and supporting services

Scalable for national or international expansion

Why This Opportunity Stands Out

This is the chance to acquire a premium, science-led brand with more than four decades of market credibility-something almost impossible to replicate in today's crowded skincare landscape.

With increasing demand for non-invasive treatments, medical-grade skincare, and at-home professional solutions, this business is perfectly positioned for:

Major expansion across Australia & Asia

National clinic group adoption

Online/direct-to-consumer growth

White labelling or manufacturing partnerships

Adding new treatment technologies to an already loyal client base

A Rare, High-Value Acquisition in the Beauty & Skincare Sector

If you are seeking a respected brand, proven products, and a trusted foothold in Australia's booming skin and aesthetics market, this is an exceptional opportunity.
