Market-Leading Roofing Enterprise | BIG Profits + Dominant Reputation

A rare chance to acquire a highly rated roofing operator in Australia with exceptional brand strength, and unrivaled demand across the booming Sunshine Coast and Gympie regions.

With \$7.65M revenue and \$1.4M SDE in 2025, this business delivers elite profitability, streamlined operations, long-standing contractor crews, and advanced quoting/project systems that make scaling effortless.

Backed by \$500k in unencumbered plant & equipment, a skilled team, and months of forward bookings, this is a turnkey, recession-resistant operation perfectly positioned for continued expansion.

If you're seeking a high-margin, market-dominant trade business with explosive growth potential - this is the one.
