5 in 1 Hair & Beauty with Fantastic Exposure MAS248

Positioned on a prominent corner in Sydney's sought-after Inner West, this well-established 5-in-1 hair and beauty business offers outstanding exposure and strong local recognition within the community.

With a quality, modern fit-out and an expansive 290 square metre layout, this business is fully equipped to operate as a complete grooming and beauty destination, incorporating barbering, hairdressing, beautician services, nails and makeup.

Featuring 15 styling chairs and 5 wash basins, the setup allows for high client volume, multiple staff, and strong revenue potential across diversified service streams.

Well known and trusted by locals, this is an ideal opportunity for an owner-operator, investor, or established operator looking to expand their footprint in a high-demand Inner West location.

The current owner is committed to a smooth transition and is available to assist the new owner until June 2026 if required, ensuring continuity of operations and client relationships.

This is a rare opportunity to acquire a sizeable, turnkey hair and beauty business in a prime position with everything in place to continue and grow.
