Profitable NDIS Provider with Regional Footprint

An established community-focused NDIS provider is available for acquisition, delivering a broad range of in-home and lifestyle support services across Brisbane and the Fraser Coast. The business is built on participant-centred care, strong operational discipline, and workforce stability, supported by two fully staffed office locations and an experienced management team that oversees day-to-day operations with minimal owner involvement.

With approximately 65 employees, mature systems across compliance, rostering, payroll, and a proven service model supporting participants with varied and complex needs, the organisation presents a resilient and scalable platform for continued growth.

Key Features

- * Growing sales trend with FY25 EBITDA of ~\$1.2M and revenue in excess of \$4M
- * Broad community and in-home service offering with diversified revenue streams
- * Recently introduced plan management services with strong early growth
- * Strong leadership team enabling low owner reliance
- * Proven financial performance with consistent profitability
- * Stable NDIS-funded income supported by long-term participant relationships
- * Well-developed internal systems across compliance, finance, payroll, and scheduling

The business is offered for \$4,290,000, presenting a compelling acquisition for buyers seeking a cash-flow-positive NDIS provider with embedded management, operational scale, and future growth capacity. The opportunity will appeal to existing NDIS operators, strategic acquirers, or investors looking to enter or expand within the disability services sector.
