Customs Broking, Freight Forwarding and Logistics Business for Sale

This well-established logistics business offers a full range of services, including customs broking, freight forwarding, warehousing and 3PL. It services clients across Australia and has operations in both NSW and in Victoria.

An experienced workforce is in place including multiple licensed customs brokers, and a self-reliant management team. This means that the business is ready for the new owner to step into and operate.

The organisation has a substantial, diverse customer database that includes clients across a wide range of sectors. As a result, it enjoys the security of not being dependent on any particular customer, or sector.

This is a substantial business with gross profit of circa \$7 million.

This could make an excellent acquisition for another business in the industry that would like to grow through acquisition. It could provide a great opportunity to:

- * Increase sales
- * boost profitability through operational synergies
- * grow your customer base
- * broaden your service offering
- * expand your geographic presence

This quality business is being offered for sale by expressions of interest contact us to obtain and sign an NDA as the next step.

The location of this business is not exact, it is indicative only.
