Burgers -Iconic Business

Iconic Burgers. Iconic Brand. Newcastle Institution.

Founded in 2014 by passionate Novocastrians, Newy Burger Co was created with a simple mission: serve crave-worthy, feel-good burgers using quality ingredients - and Newcastle locals responded in force. Today, this much-loved brand is firmly established and now offered for sale.

Operating from its highly visible Hunter Street location, the business is sold as a complete, walk-in-and-operate opportunity. The sale includes the restaurant fit-out, strong brand identity, all intellectual property, website, and a powerful social media following of over 39,000 loyal fans, along with the closely guarded recipes behind its famous burgers and fries.

Favoured by families, university students, surfers, and tourists, Newy Burger Co has enjoyed consistent growth in both revenue and profitability. This is an appetising opportunity for an owner-operator or investor to take over a proven brand with strong local recognition and room to grow.
