Premium Health Food Product Import & Distribution Business 30+ year family operation

A rare opportunity to acquire a highly profitable, niche wholesale and distribution business operating in the premium food and wellness sector within the Tweed Heads region.

Preferred national customer from supplier | High Margins | Simple model | Freehold optional add on.

The business holds preferred Australian supply relationship with a long-established European producer, creating a protected market position and strong pricing power. Supported by a recognised brand and loyal B2B customer base, the business delivers consistent revenues and exceptional gross margins.

Operations are lean and scalable, centred on bulk importation, local repackaging and national distribution. Revenue is predominantly generated through distributors and wholesale customers, providing stable, repeatable earnings with limited customer concentration risk.

With favourable industry tailwinds and multiple growth levers available, this opportunity is well suited to strategic buyers, private capital groups or growth-oriented operators.

Option to add the freehold premises to the purchase.
