Iconic Cake Shop 21 Years of Local Love & Tourist Demand | MAS251

A rare opportunity to acquire a thriving, long-established cake shop in the heart of the Blue Mountains, proudly owned and operated by the same owner for 21 years.

Hugely popular with locals and consistently buzzing with tourist traffic, this business enjoys constant footfall and repeat custom year-round.

Perfectly positioned on the highway, the shop benefits from exceptional exposure and visibility, with the added advantage of a newly renovated surrounding precinct that is already driving increased trade.

The large two-level property offers both levels at ground-floor access, making it highly functional and accessible for customers and operations alike.

The business features a huge commercial kitchen, ideal for high-volume production and future expansion.

The offering is broad and proven, serving rolls, pies, cakes, drinks, coffee, bread and more creating multiple income streams under one roof.

This is a landmark Blue Mountains business with strong community roots, consistent tourism demand, and massive growth potential for the next owner.

A genuine turnkey opportunity in a tightly held location.
