Sharetea Bubble Tea Franchise | Lower North Shore Location | \$209K + SAV | High Foot Traffic

This Sharetea franchise has been serving customers since 2020 and has built a loyal following in a location that sees strong foot traffic throughout the day. As part of one of Australia's most popular bubble tea brands, the business benefits from proven systems, reliable supplier relationships, and the kind of brand recognition that keeps customers coming back.

The current owner has the business running smoothly with a capable team who know the operations well. It's the kind of setup where you're not starting from scratch the hard work of building systems and training staff has already been done.

What Makes This Opportunity Stand Out

You're buying into an established brand that customers already know and trust

The business has a solid track record since opening in 2020

Whether you want to be hands-on or take a step back, the business can work either way
