Type: **Construction / Services-Professional**

QLD Compliance Business | \$1.68M Revenue | \$446K Profit

Rare opportunity to acquire a highly systemised SE QLD compliance services business operating in a government-mandated sector.

Recurring Subscription Income + 2027 Legislative Deadline

Business Overview

- FY2025 Revenue: \$1.68M
- FY2025 Adjusted Profit: \$446K
- Strong recurring subscription base
- Diversified B2B client portfolio
- Fully documented SOPs, procedures and compliance policies
- Proprietary tech platform enabling efficient service delivery
- Established operations management structure in place
- Highly scalable business model with clear growth potential

Demand is underpinned by state legislation with a 1 January 2027 compliance deadline driving strong short-term revenue tailwinds, followed by structured 10-year replacement cycles.

This business represents a unique opportunity for electrical contractors, trade groups, or compliance operators to acquire a proven platform with immediate cash flow, operational efficiencies, and significant growth upside.

The streamlined systems, documented processes, and loyal client base mean the new owner can step in and continue driving success from day one.
