PRESENTING: THE COMPLETE SALON PACKAGE PLUG IN & PROFIT

Established Hair & Beauty Salon | Solid Opportunity

Sale Includes: Everything You Need to Start Trading Day One

This isn't just a salon it's a fully loaded business in a box.

Forget the headaches of starting from scratch. This is your shortcut to salon ownership with everything included from the scissors to the social media followers, the client bookings to the supplier relationships.

What you're actually buying:

Plant & Equipment Professional-grade tools and salon furniture ready to go

Fixtures & Fittings Beautifully appointed space, styled and functional

Website & Social Media Accounts Established online presence with engaged followers

Forward Bookings Revenue locked in from day one

Customer Database Loyal client list ready to welcome you

Supplier Relationships Trusted vendors and preferential terms already in place

Experienced Staff Talented team currently under management, ready to stay on

Your choice, your style:

Owner/Operator Roll up your sleeves and get hands-on behind the chair while building your dream salon

Investor/Manager Keep the management structure in place and let the business run itself while you collect the returns

This is the turnkey opportunity everyone talks about but rarely finds.

No building. No recruiting. No guessing. Just unlock the door, introduce yourself to your team and clients, and start making money.

The hard work is done. The foundation is solid. The opportunity is yours.

Ready to own a salon without the setup stress? This is how you do it.
