Weddings

Funerals

Multi-camera event production

The infrastructure is reliable, scalable, and ready to support increased volume, additional crews, or expanded digital distribution models.

#### Growth Potential

Livestreaming is no longer optional - it is embedded across corporate, sporting, government, church, and private sectors.

This business offers clear expansion pathways:

Scaling into international markets

Productising service packages for higher margins

Developing retainer and recurring revenue models

Building agency and venue partnerships

Increasing production teams and capacity

Positioning for a seven-figure-plus valuation

For a hands-on operator, media company, or strategic investor, this represents a launchpad into a borderless digital production enterprise.

#### Ideal Buyer

Media production companies seeking expansion

Entrepreneurs wanting an established, profitable operation

Investors seeking exposure to the digital content economy

Operators passionate about live production and streaming technology
