Established Mobility & Healthcare Retail Business - North Brisbane

An outstanding opportunity to acquire a well-established provider of mobility and assistive technology products servicing Brisbane Northside.

Operating from a new purpose designed format showroom the business has built a strong reputation for quality products, excellent customer service, and value for money.

The business specialises in a wide range of mobility aids and assistive technology, including:

- * Electric Lift Chairs with multiple size and comfort options
- * Mobility Scooters - from portable models to long-range prestige scooters
- * Wheelchairs, Power Chairs and Wheelie Walkers
- * Oxygen Concentrators and Daily Living Aids
- * Premium Massage Chairs

Key Investment Highlights

- * Established healthcare and mobility retail business
- * Large showroom in a high-exposure North Brisbane location
- * Strong reputation
- * Diverse product range with reputable supplier brands
- * In house servicing providing recurring revenue opportunities
- * Servicing a large and growing Brisbane catchment
- * Supported by demand from an ageing population and mobility needs

This is a stable, needs based retail and service business operating in a structurally growing market, with strong potential for continued expansion through increased product offerings and deeper market penetration.
