Iconic Chatswood Small-Scale Restaurant - Long Lease, Turnkey Opportunity

Seize this rare chance to secure a fully equipped restaurant space in the heart of Chatswood. Hu's Inn has been established since 2013 and has a proven track record as a popular culinary destination and is now available for the first time.

The site offers a turn-key operation featuring a compact yet highly efficient 27sqm shop equipped with a fully functional kitchen. Designed for maximum versatility, the layout supports both dine-in and takeaway services, boasting a total capacity of 26 seats (16 indoor and 10 outdoor).

The cost to set-up a similar type of shop in Chatswood will be ranging in the \$200K, so at this price it is an ideal, low-risk entry point for an operator looking to establish a presence in one of Sydney's premier dining precincts without the capital intensity of a large-scale fit-out. New owner is free to change to whatever cuisine they want.

Lease is in place until 2030 and the annual rent is \$73521.71 inc GST.

Note: Only the shop assets (fit-out, equipment) is for sale, not the business. Please fill out the confidentiality agreement to get a copy of the lease and other information.
