High-Profit Boutique Protein & Supplement Manufacturing Business | \$250,919 profit to working owner

An exceptional opportunity to acquire a well-established boutique manufacturer on the Sunshine Coast, specialising in protein and nutritional supplement products and servicing a growing and highly profitable market.

This business delivers FY25 net sales of \$876,557 with a strong profit to one working owner of \$250,919, making it an ideal acquisition for an owner-operator or an industry participant seeking a strategic bolt-on.

The current owner has recently invested in Plant & Equipment for a second production line, providing the incoming owner with immediate capacity to expand manufacturing, develop new product lines, and onboard additional contract manufacturing clients. This expansion significantly enhances the business's potential to increase sales and profitability without major additional capital outlay.

The operation is streamlined with low labour requirements, supported by quality equipment and efficient production processes already in place.

Key Highlights

- FY25 Net Sales: \$876,557
- Profit to One Working Owner: \$250,919
- Second production line ready to be installed ready for growth
- Low labour, efficient operation
- Quality plant and equipment included
- Positioned within the booming health and wellness sector
- Significant potential to expand contract manufacturing and private-label production

This is a turnkey manufacturing opportunity with the infrastructure already in place to scale production and grow market share.
