Established Holistic Dental Practice - Sunshine Coast Region

RWC Business Sales is delighted to offer an outstanding opportunity to acquire a highly respected, community based Dental Practice located on the beautiful Sunshine Coast. Operating for over 30 years, this practice has built a wonderful reputation and a long-standing philosophy centered on kind, comprehensive patient care.

The Opportunity:

This boutique, single chair practice presents a rare chance to take over a clinic with deep community roots (held by the current owner for over 14 years) and an incredibly loyal patient base. Positioned in a vibrant semi-regional hub located close to Brisbane and the Sunshine Coast.

Clinical Scope & Philosophy:

The practice emphasises a holistic approach to dental care, educating patients on the vital link between oral health and overall systemic well-being. Current services include:

1. General and restorative dentistry.
2. Myofunctional orthodontics.
3. Cosmetic dentistry and fixed prosthodontics.
4. Implant restorations, RCTs, and emergency work.
5. Children's and geriatric dentistry.

Facility & Operations:

Located in a commercial complex on a busy street, the clinic benefits from excellent visibility and ample adjacent on-street parking.

1. Fit-out: Features a warm, inviting reception and waiting area, a fully equipped treatment room, a dedicated steri room, and a small staff kitchen.
2. Financials: Supported by a low-cost commercial lease expiring in February 2027 (with a further 3-year option).
3. Network: Holds preferred provider agreements with BUPA, HCF, Smile.com, and Dentacare.

Uncapped Growth Potential:
