Garage Doors Installations Solid business and Income

Garage Door & Gate Installation Business Granite Belt & Southern Downs

Earn over \$120,000 (Adjusted PEBITDA) from a business priced at just \$89,000 + stock,

2025 sales of approximately \$395,000.

This established operation services the Granite Belt and Southern Downs regions,

Installing garage doors and gates for residential and commercial clients.

Ideally suited to a self-employed buyer with general mechanical skills, the business follows a straightforward model,

just measure and quote, order the doors and materials, and complete the installation once delivered.

No formal trade qualification is required, making it highly accessible for a hands-on operator.

Training Provided and a fully experienced casual employee is available who has been with the business for over a year.

The business offers a flexible work schedule and has been operating successfully in the region for twenty two years, with an established customer base and consistent workflow.

The business has never been without work booked in advance.

Equipment requirements are minimal included is the Trailer designed for the job, with all other tools and equipment included in the sale. The Ute is available if the Buyer does not have a suitable vehicle.

The current owner will provide full training and will be available for assistance after settlement by negotiation.
