Established NDD & Vac Truck Business Strong Returns & Growth Potential

Looking to tap into a high-demand, essential service with strong returns and outstanding growth potential? This established non-destructive digging and vac truck business on the Central Coast is ready for its next owner to step in and clean up.

With a solid local reputation, repeat clientele, and consistent workflow, this operation has built its success on safety, precision, and getting the job done right the first time no guesswork, no damage, just results.

What's on Offer:

- \* Fully equipped with quality vac trucks and specialised NDD equipment
- \* Established client base across civil, construction, utilities & infrastructure sectors
- \* Strong referral network and repeat business
- \* Proven systems with streamlined day-to-day operations
- \* Excellent reputation within the local trade and construction community

The Central Coast continues to see strong development and infrastructure growth, driving ongoing demand for safe excavation and asset location services making non-destructive digging an increasingly essential service.
