Graphic Design and Web Development Business for Sale

This well-established, full-service creative agency is based in Sydney's West. It provides a comprehensive range of services, including graphic design, packaging design, branding, web design, digital marketing and print broking services.

Over the years, this business has developed a substantial, diverse database of repeat customers. These are from a wide variety of industries and include an impressive selection of well-known, major brands. Customers are broadly spread and the business enjoys the security of not being dependent on any one customer.

The business has a team of experienced staff in place. Also, the owners are happy to negotiate an extended handover period to ensure that the business is smoothly transitioned to you. Therefore, the business is ready for you to step into and operate.

This is a solidly profitable business. For the 2025 financial year, it achieved sales of \$2.35 million and EBITDA profit of \$964,000.

Trading is Monday to Friday only, allowing you to benefit from a healthy work-lifestyle balance.

This business could be a great fit for an individual with an understanding of the advertising, branding, or design sectors. It could also make an excellent acquisition for a graphic design, web design, advertising or printing business looking to grow through acquisition.

This quality business is being offered for sale at \$2.6 million.

The location of this business is not exact, it is indicative only.
