American-Inspired Hospitality Franchise Brand - 5928

This is a rare opportunity to acquire a recognised, American -inspired hospitality brand with the systems, structure, and market presence already in place to support national growth.

Opportunities like this don't come along often.

Positioned for growth and built with scalability at its core, this business offers a rare chance to take control of an established brand, rather than building from scratch.

What You're Buying

Established brand ownership and registered trademarks with strong market presence recognised and respected hospitality brand with over a decade of trading history

Proven multi-site franchise model. Successfully operating across multiple locations with established systems and support

High-performing digital and customer base. Over 40,000+ engaged customers and strong online reputation.

Lean, scalable head office structure. Designed for growth with minimal overhead and strong margin potential.

Comprehensive systems and intellectual property. Including recipes, standard operating procedures, training systems, digital assets, CRM systems supplier agreements and full operational framework.

Franchise and expansion infrastructure. Structured for national rollout with documented processes and infrastructure in place.

Strong financial profile, High-margin business model with efficient central operations

Founder support available for transition

(Excludes individual restaurant sites and leases)

Why Consider this Opportunity

Skip the risk of start-up - acquire a proven, market-tested concept

Immediate scale advantage - systems, branding and infrastructure already in place

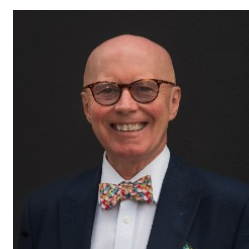

Multiple growth pathways - franchise expansion, corporate stores, brand extensions
