From lawn mowers and ride-ons to generators, utility vehicles, and outdoor power equipment this business services both residential and commercial customers across a wide regional catchment.

Stocking trusted industry brands including Honda, Cub Cadet, Echo, Kawasaki, Masport, Rover and more ensuring strong supplier relationships and customer confidence.

**Operational Strength & Transition Support:**

Husband currently manages mechanical, servicing, and sales

Wife manages showroom and administration

Both owners are willing to stay on for up to 6 months, ensuring a smooth transition and continuity (on commercial wages, negotiable)

**Strategic Location:**

Positioned in a key agricultural and regional hub in the Southern Downs, this business benefits from consistent demand driven by farming, acreage living, and regional infrastructure.

**Ideal For:**

Owner-operators seeking strong income and control

Mechanical or trade-based buyers

Existing operators looking for a bolt-on acquisition with immediate scale

Investors with a manager in place

This is not a startup or turnaround it is a proven, profitable, and growing business with strong fundamentals and clear upside.
