Subway Brisbane West near CBD! Remodeled! Nice leafy area! Potential to extend trade!

The sandwich restaurant chain was founded in the USA, in 1965. The company has since grown into a multi-billion dollar business, with more than 36,000 outlets in 100 countries. Wherever the restaurants are located, the basic menu stays almost the same.

The first restaurant opened in Australia during 1988. Australia is the group's largest market outside North America, with more locations than any other chain.

There are presently in excess of 1300 restaurants in Australia. Many new franchises are sold to existing franchisees which is a positive indication of the success of the franchise model.

This Subway Franchise is located in a small shopping centre in an affluent area approximately 3 km from the CBD.
