Rare Perth CBD Printing and Marketing Business, Strong Profits, Significant Growth Potential

An established, highly profitable printing and marketing services business in Perth CBD, offering immediate cashflow and an excellent platform for expansion. Generating approximately \$1.5Million+ in annual revenue with a net profit margin of 20 %, this operation benefits from a loyal corporate client base and an established national referral network, delivering reliable workstreams and reputational strength. The premises are configured for efficient production and client-facing service, with dedicated print production floors, client consultation and design areas, secure storage for stock and consumables, plus office spaces for administration and sales.

Positioned in the heart of Perth, the location offers excellent proximity to the city centre, corporate offices, legal and financial services and major transport hubs, enabling convenient client access and efficient logistics. This opportunity suits owner operators seeking a hands on business, investors looking for a stable income stream or strategic buyers aiming to integrate print and marketing capabilities into broader service offerings.
