### 8000+ TEU | Established Freight Platform | East Coast Operations

Are you an existing freight forwarder seeking immediate uplift from both customs brokerage and freight forwarding bookings?

This is an opportunity to acquire a well-established Australian freight forwarding and customs brokerage business with decades of operating history and a reputation built on consistency, reliability, and deep industry knowledge.

Operating across key East Coast hubs, the business manages ~7,800+ TEU annually and 400,000+ kg of airfreight, supported by integrated capabilities across sea freight, air freight, customs, and domestic logistics.

The real value sits beneath the surface:

Long-term clients.

Established AsiaAustralia trade flows.

An experienced team that keeps everything moving without friction.

Sales for 2025FY \$5,159,063 and a profit of \$1,506,991

This would suit an existing operator who is seeking immediate scale:

More volume through your network.

Stronger control over trade lanes.

Immediate access to relationships that take years to earn.

This opportunity is best suited to an established logistics or freight operator seeking to strengthen capability, increase density, and extract value through integration.
