Niche Food Manufacturing & 3PL Services

An established, highly specialised food manufacturing and 3PL business delivering end-to-end solutions across Product Development, Manufacturing and Logistics. Positioned in a growing sector with strong repeat demand and contracted clients. Retiring owner is ready to hand over the reins.

Located on the Sunshine Coast, the business also offers flexibility to relocate into a larger facility, creating immediate capacity for scale.

Key Highlights:

- * Skilled, self-sufficient team including an experienced Full-Time Manufacturing Manager
- * 100% organic growth to date- no marketing or website, purely referral-driven
- * Contracted customer base, providing revenue security and continuity
- * Certified Organic & GMP compliant under Australian standards - strong barrier to entry
- * Diversified service offering across development, production and 3PL
- * Clear growth pathway through capacity expansion, marketing activation and new client acquisition

This is a high-potential platform suited to hands-on owner-operators or established groups seeking a strategic bolt-on in the food manufacturing or health-focused product space.

Investment: \$395,000 + SAV (~\$300,000)
