

For Sale

Location: **Brisbane**
Asking: **\$2,495,000**
Type: **Services-Other**

Rare Essential Services Opportunity | Government Backed Revenue

An outstanding opportunity to acquire a highly specialised environmental services business with a 30+ year trading history, strong council relationships and significant barriers to entry.

The business provides essential, recurring services to government and utility clients across multiple regions, supported by long-term contract structures and a highly mobile operating model.

Key highlights include:

- * Revenue circa \$1.4M-\$1.6M p/a
- * High value specialised, unencumbered plant and equipment included
- * Established relationships with councils
- * Purpose-built fleet with national deployment capability
- * Strong growth upside through new contracts, greater fleet utilisation and equipment hire
- * Freehold property also available by negotiation

This is a genuine turnkey operation with infrastructure, staff, systems and reputation already in place. Ideally suited to an established operator, civil/environmental services group or strategic buyer seeking a defensible niche with immediate scale.

Asking Price: \$2,495,000

Freehold Property: Available Separately

Strict confidentiality applies. Further details available to qualified buyers only.
