Appliance Repairs & Air Conditioning Business

TURN YOUR TECHNICAL SKILLS INTO CIRCA \$100K PER YEAR - ESTABLISHED 35-YEAR APPLIANCE REPAIRS BUSINESS

Are you mechanically minded, or enjoy hands-on work? This could be your opportunity to own a proven business with consistent income and loyal customers.

WHY THIS BUSINESS WORKS:

- * 35+ years of trading history means established reputation and trust
- * Steady stream of repeat customers across Blue Mountains and Penrith people know where to come when appliances break down
- * Database of loyal customers built over decades ensures consistent work flow
- * White goods repairs, servicing, plus air conditioner installation multiple revenue streams

PERFECT FOR: Someone with handyman skills or a technical mindset who wants to be their own boss. Full training provided by the current owner, plus comprehensive appliance repair manuals to support you. No need to start from scratch step into an established operation.

WHAT YOU'RE GETTING:

- * Approximately \$100,000 annual profit to owner-operator
- * Utility vehicle included ready to start servicing customers
- * Fully set-up with tooling and stock
- * Established customer database

THE NUMBERS: Asking price: \$90,000 Annual profit: ~\$100,000, ROI: Your investment back in under 12 months

This is a rare chance to acquire a business with genuine goodwill, where customers already know and trust the brand. In the appliance repair industry, reputation is everything and this business has it.
