### Southeast Queensland Commercial Photography Business for Sale

Established in 2015, this business is a leading service provider in the commercial photography sector nationally with a focus on Southeast Queensland.

Projected Sales for 2026 FY \$289,519.39. EBITDA after Husband & Wife wages \$138,826.00

PEBITDA / Net to owner operator the 2026 financial year approx. \$293,977.63

This is a very clever business that has fixed camera's positioned all around Australia that are operated remotely generating monthly recurring income from Government & Private Infrastructure projects in place up to 2031.

This well-structured and profitable business has continually diversified its service offerings to address evolving market needs nationally, developing a reputation for reliability and excellence.

The Business's services are an integral part of critical funding and capital-raising processes across private equity, government, and ASX-listed projects, which frequently require two to four years of ongoing documentation and imagery for compliance.

Providing services in advertising, architecture, education, media, and performing arts, the firm's core team has combined decades of professional experience with a passion for delivering exceptional imagery tailored to the demands of its clients.

The business is currently run from a home office without the need for a studio.

All plant & equipment needed to operate is included in the sale @ a fair market value of \$108,000.

Having built a legacy of trust and superior outcomes, the current owners are now seeking retirement after supporting a new owner with some photography experience settle and in to lead the business into its next chapter, supported by established systems, a proven team of sub-contractors, and long-standing client relationships.

Asking \$300,000 Very detailed Information Memorandum available to qualified buyers.
