Established Crane & Specialised Transport Business | South East Queensland

Proven asset-backed transport operator delivering crane hire, specialised rigging, and dogging services across Brisbane and South East Queensland. Modern fleet, established client base, strong fundamentals. Acquisition opportunity for experienced operator.

The Business FY2025 Revenue: \$3.46M | Asking Price: \$5.25M | Modern fleet valued at \$4.7M. 3,100+ completed projects. 59+ blue-chip clients spanning government, construction, energy, utilities, and industrial sectors. 10-12 skilled team members with average 11-22 years experience in heavy transport operations. 20+ years established market presence.

Fleet & Assets Modern Italian & Austrian-equipped crane trucks spanning 2018-2024 models. Multiple configurations: 8x4, 10x4, 6x4 units. Supporting trailers, work vehicles, specialist equipment including spider all-terrain EWP (2024). Spare parts inventory. Strong residual value. Equipment independently monetisable.

Service Capabilities Electrical infrastructure (street lighting, substations, EV charging, power poles). Heavy lift and precast operations (concrete tanks, pipes, pits). Signage and digital media installations. General machinery hire. Energy and resources specialisation. Diversified service offering reduces client concentration risk.

Why It Works Asset-backed model with high tangible value. Established relationships with blue-chip infrastructure and construction clients. Low staff turnover ensures operational continuity and deep industry relationships. Modern, well-maintained equipment. Strategically positioned between Brisbane and the Gold Coast location serves major infrastructure, construction, electrical, and energy projects across South East QLD.

Growth Avenues Fleet optimisation and utilisation improvement. Service expansion into heavy industrial, renewable energy, major infrastructure. Geographic expansion: Gold Coast, Sunshine Coast, interstate. Client base expansion within existing markets.

Ideal Buyer Experienced heavy transport or plant hire operator. Established business seeking proven acquisition platform. Requires hands-on management and industry knowledge. Capable of ongoing equipment investment.
