Long Established Electrical & Building Services Group

Step into ownership of one of the Burnett region's most trusted and diversified electrical and building services companies. Electrical Services Business, established in 1981, has built a formidable reputation for quality, reliability, and specialised capability across residential, commercial, industrial, and mining sectors. "Electrical Services Business is a reputable, long-standing, and fully licensed electrical and building services company..."

With strong year on year performance and an impressive 5 year average EBITDA of \$948,629, this business offers both stability and significant growth potential.

KEY FEATURES

43 Year Trading History & Outstanding Reputation

A trusted local brand with deep community ties and a loyal client base. "Established reputation since 1981... Locally owned with strong market presence and customer trust."

Diverse Revenue Streams

Electrical, communications, air conditioning, building services, hydrovac, fibre optics, and a retail lighting showroom.

Certified & Mining Ready

Mine certified and Molex certified, with all inductions in place for open cut coal mine work (Meandu Mine). "Mine- and Molex-certified... Mining Has all inductions in place to work at open cut coal mine."

Strong Financial Performance

* FY2025 Sales: \$6.65M

* FY2026 Projected Sales: \$5.9M

* FY2026 Projected EBITDA: \$1.47M "Project FY2026 \$5,908,063... Project FY2026 \$1,471,022"

Skilled Workforce of 25 Staff

A well structured team including electricians, apprentices, building staff, trade assistants, and admin. "Total of 20 Staff... 9 Electrical, 4 Apprentice, 3 Building, 3 Trades Assistants, 1 Administration."

Turnkey Operation with Systems in Place

Owners have spent the past two years refining systems to ensure a smooth transition. "They have spent the past 2 years ensuring systems are in place."
