WA Multi-Stream Training & Education Platform | Strategic Equity or Full Acquisition Opportunity

rare opportunity exists to acquire, or strategically invest in, an established and profitable vocational education and workforce training platform with diversified revenue streams, scalable delivery capability, and strong positioning across multiple growth sectors.

Unlike many smaller single-course RTOs, this organisation has evolved into a broader education and workforce capability business delivering:

Accredited training

Leadership and executive development

Corporate capability programs

Industry and workforce-aligned education solutions

Competency assurance

Executive coaching

Human Synergistics, MBTI, Hogan, and DISC profiling

The business services a broad range of sectors, including:

Oil and gas

Mining

Real estate and CPD/ WA&QLD

Community services

Childcare

Business and leadership development

Workforce training and traineeships

State and Local Government

International

Key highlights:

Established WA-based education platform with national capability

Broker Ref: 25851

Diversified revenue streams across accredited and non-accredited training

Government and repeat institutional revenue sources

Strong margins and scalable delivery systems

Classroom, blended, and workplace delivery capability

Experienced trainers, consultants, and operational team

Significant growth potential across interstate, online, and international markets

Financial overview:

Revenue exceeding \$1.2 million for the six months to December 2025

Gross margins reportedly exceeding 60%

Established enquiry and marketing channels generating ongoing demand

The opportunity may suit:

Existing RTO or education groups

Strategic industry operators

Corporate training organisations

Professional services or HR advisory firms

Investors seeking exposure to workforce development and education

Strategic partners capable of accelerating national growth

The vendors are open to discussing either:

A full acquisition, or

A partial strategic investment / equity participation arrangement with the right industry-aligned operator or growth partner

This flexibility creates a compelling opportunity for a strategic investor seeking operational involvement and long-term value creation, rather than a purely passive investment.

The business has been built with scalable systems, established compliance frameworks, and a strong reputation for quality delivery and industry engagement.

Confidential discussions invited.

Asking price: Offers above \$3,500,000
