* Loyal client base and repeat referral business, many corporate clients who regularly need batches of drivers trained and upskilled.

* Strategically located in an industrial area, right on one of NSW busiest transport corridors, with flexible options around long term lease.- current premises allows the entire fleet to be stored in secured garages every night.

* Significant growth potential for an owner-operator or industry participant, even a transport company looking to guarantee supply of qualified drivers.

Importantly:

The business operates independently of an aligned R.T.O.- and is offered for sale with ongoing formal agreement from the RTO, if the buyer desires, to continue to use the services of the RTO for assessment and admin purposes.

The current owners have successfully built the business into a highly respected industry leader, and are willing to assist with a smooth handover to ensure continuity for clients and staff. Whether you are looking to enter the transport training industry or expand an existing operation this heavy vehicle driver training business represents an outstanding opportunity to take the wheel of an established and profitable business.
