Established | FMCG Import & Distribution NZ

This off-market FMCG import and distribution business holds distribution rights for several recognised consumer brands, with established listings across all major big-box retail channels. Ideal for an operator already carrying warehousing capacity looking to deploy it against a proven revenue base.

The business has developed longstanding supplier relationships, established retail distribution channels, and a scalable operating platform capable of supporting further growth.

\$10m+ annual revenue.

Proven top-line performance with a stable, repeatable trading base across established retail accounts.

Brand portfolio a diverse portfolio of global FMCG brands across key categories including premium grocery, confectionery, snacks, beverages, cleaning products, and high-growth cosmetics.

The business is expected to appeal to strategic buyers seeking:

- * Additional revenue through existing infrastructure
- * Expansion of product categories
- * Established retail relationships
- * Immediate operational scale.

There are other significant category upsides that will be visible through the Information Memorandum.

The vendor is conducting a confidential sale process. Further information will be provided to qualified parties following execution of a Confidentiality Agreement.
