### Specialised Equipment Hire Business | Eastern Seaboard Operations | \$14M+ Fleet

Exceptional opportunity to acquire a leading equipment hire business with a \$14 million-plus specialised fleet, established multi-state operations and exposure to major infrastructure and commercial projects. Strong market position with significant barriers to entry.

The Company has established a strong reputation within its niche market through reliable service delivery, technical capability and long-standing customer relationships. Operating from strategically positioned locations, the business services a diverse client base including major contractors, industrial operators, project-based clients and government-related works.

The business benefits from substantial capital expenditure in specialised hire equipment and operational infrastructure, supported by experienced personnel and established systems. Strong repeat business and ongoing project activity continue to underpin consistent demand across multiple industry sectors.

Key highlights include:

- Established and reputable specialised equipment hire business
- Diverse customer base with strong repeat revenue
- Extensive specialised hire equipment and infrastructure
- Experienced team and established operational systems
- Strong historical trading performance
- Exposure to infrastructure, industrial and commercial project activity
- Scalable operations with growth opportunities across existing markets
- High barriers to entry within a specialised industry segment

This opportunity would suit strategic acquirers, business buyers or complementary operators seeking to expand their presence within the equipment hire and industrial services sectors.
