### Australian-owned Niche BPO asset offshore workforce financial service provider in the Philippines

- \* Proven Business Model Experienced team in place with full Philippines-based infrastructure, compliance systems, and local management included.
- \* Strong Financial Performance Excellent financials with significant growth and expansion opportunities.
- \* Substantial Cost Savings Labour costs approximately 60-70% lower than Australia, with the advantage of operating in a similar time zone and access to a highly skilled, English-speaking workforce.
- \* Recurring Revenue Base Long-term contracts within the finance sector, low client churn, and a scalable operating model.
