### Strategic Freight Forwarding & Customs Brokerage Acquisition Opportunity

An opportunity exists to acquire a long-established freight forwarding and customs brokerage business servicing a loyal portfolio of commercial customers.

The business has developed strong relationships with importers, distributors and manufacturers and benefits from a high level of repeat business generated through long-standing customer accounts.

Revenue is supported by recurring freight activity and established customer relationships developed over many years.

#### Business Highlights

- Annual revenue of approximately \$1.5M - \$2.0M
- Gross profit consistently exceeds \$400,000 per annum
- Strong recurring revenue profile supported by repeat freight activity
- Long-standing commercial customer relationships
- Strategic account base with established trading history
- Significant industry goodwill and reputation
- Transition support available from the current owner
- Ideal bolt-on acquisition for freight forwarding, customs brokerage or logistics operators

The business is offered for sale as a going concern and presents an attractive acquisition opportunity for industry participants seeking to expand customer relationships, freight volumes, customs capability and market presence.
