Established Wholesale Packaging Distribution Business | Sales Exceeding \$5 Million

This is an outstanding opportunity to acquire a long established and highly regarded wholesale packaging distribution business servicing the foodservice and hospitality industry.

Operating successfully for over 30 years, the business has built a strong reputation as a trusted supplier of disposable packaging, consumables and hospitality products to a large and loyal customer base. With FY2025-26 sales exceeding \$5 million and continuing to grow, the business provides an excellent platform for further expansion.

Sale Price

\$1,480,000 plus Stock at Value

(Stock at Value approximately \$800,000)

Key Features

- * Established and proven business operating for over 30 years
- * FY2025-26 sales exceeding \$5 million and growing
- * Monday to Friday operation - no weekend trading
- * Large, loyal and longstanding customer base
- * Strong reputation within the foodservice and hospitality sectors
- * Significant opportunities for further growth and expansion
- * Well established systems and processes already in place
- * Diverse customer base providing recurring revenue

Supplying a comprehensive range of hospitality packaging and consumable products, the business enjoys strong repeat trade and long standing customer relationships built over decades.

LINK Business Brisbane
Broker Ref: BR01994

Businesses of this calibre and scale seldom come to market. This opportunity would ideally suit a hands on owner operator seeking a quality business with substantial turnover, or an existing distribution or wholesale operator looking to accelerate growth through acquisition.

All the hard work has been done. A solid foundation is in place, allowing a new owner to step in and continue building on the success achieved over the past three decades.

The current owners are committed to providing a comprehensive handover and training period to ensure a smooth and successful transition for the new owner.

Enquire now to discover more about this opportunity.
