### Plant Hire Business

This is a well-established plant and equipment hire business supplying reliable, well-maintained machinery to both trade professionals and DIY customers across the construction, landscaping, and rural sectors.

From builders and contractors through to homeowners and farm operators, the business services a broad and consistent customer base, creating strong repeat demand across multiple industries.

#### Key Features

Circa 6 years established with an existing customer base

Servicing construction, landscaping, residential and rural markets

Strong reputation for well-maintained, ready-to-use equipment

Operates on a dry hire model simple, efficient, and scalable

The current dry hire structure provides a streamlined operation, however a new owner has clear upside by introducing wet hire (operators), increasing utilisation rates and unlocking additional revenue streams.

This opportunity would suit:

An owner-operator seeking a solid, hands-on business

An existing trade or hire business looking to expand capability and customer reach

A strategic buyer wanting to leverage equipment, clients, and market demand

An extensive fleet of equipment is included in the sale, with full details available upon execution of a Confidentiality Agreement.

The range of professional equipment is currently valued at around \$262,000

Turnover for the last three years has been 2023 - \$157,400 ; 2024 - \$131,358 ; 2025 - \$225,008

2025

Trading Income at \$225,008

Adjusted Expenses \$ 78,259

Adjusted PEBITDA \$146,749 Owner Adjusted Income
