Premium Custom Cabinetmaker Brisbane 5952

Business Overview

Established custom cabinetry and joinery business offering bespoke solutions for residential and commercial clients. Specializing in high-quality cabinet design, manufacturing, and installation with a strong reputation for craftsmanship and customer satisfaction.

Key Business Highlights

- Huge potential for growth as the current owner has wound down the business due to personal injury
- Fully operational manufacturing and installation business with proven track record
- Established client base including residential and commercial projects
- Comprehensive service from design consultation through to installation
- Quality-focused operations with attention to detail and customer service
- Established online presence

What's Included

- Manufacturing equipment and workshop tools
- Design software and technical resources
- Client database and ongoing project pipeline
- Brand reputation and established market
- Supplier relationships and material sourcing networks

Business Opportunity

This is an excellent opportunity for a tradesman looking to acquire a profitable, established business in the custom cabinetry sector at a bargain price. Strong demand for quality custom joinery work ensures consistent project flow.

Location

Metropolitan area with excellent access to suppliers, client base, and skilled trades.
