MANUFACTURER & RESELLER

This opportunity offers a well-established and profitable business specialising in the manufacture and supply of its product into the residential & commercial market of the building and home improvement industry.

They have built a strong reputation within its market through consistent service delivery, product quality, and reliable customer outcomes.

Operating across both installation and ongoing service work, it benefits from a balanced revenue model combining project-based income with repeat and referral business.

The business has developed consistent demand driven by a mix of new installations, replacement work, and ongoing servicing requirements. This has enabled the business to establish a stable customer base supported by repeat work and referral activity.

The diversity of services provides both upfront installation revenue and recurring maintenance income, supporting ongoing cash flow.

This business is offered for sale reflecting the strength and consistency of its earnings profile, its established market position and reputation, the scalability of the business model and the transferability of operations beyond the current owner.

We present a compelling opportunity to acquire a cash-generative operation with both immediate income and identifiable growth pathways.

KEY FEATURES;

Proven and consistent trading performance

Diversified revenue streams across installation, maintenance and repairs

Established supplier relationships and operational systems

Strong reputation within the local market

Opportunities to scale through marketing, geographic expansion and systemisation
