### Highly Profitable Tree Servicing & Arborist Business - QLD

This Business presents an outstanding opportunity to acquire a highly profitable and well-established tree services business operating within the broader Agriculture and Forestry sector.

With a strong presence across Brisbane's northern corridor, the business has built a reputation for safety, professionalism, and reliability, supported by a robust online footprint. Consistently strong performance and streamlined operations underpin its appeal to both strategic buyers and owner-operators seeking a high-margin, service-based enterprise.

#### Key Selling Points:

- Exceptional profitability with approximately \$900,000 in annual profit, demonstrating strong margins and efficient operations.
- Diversified and loyal customer base including residential and commercial, clients, providing recurring work and stable cash flow.
- Established market position as a trusted, professional tree services provider in North Brisbane, with strong brand recognition.
- 70% repeat business
- Well-developed operational systems, safety procedures, and industry-compliant.
- Quality assets and infrastructure, including specialised equipment and vehicles appropriate for arboriculture and tree management work.
- Significant growth potential through geographic expansion, additional service lines .
- Strong online presence and reputation, anchored by the business website and positive word-of-mouth.

#### Financial Snapshot:

The business delivers strong and consistent profitability, with 2025 sales of \$1,848,854 and 2025 PEBITDA of \$827,867, supported by solid revenue and high operating margins. Financial performance has remained resilient, reflecting repeat work and ongoing demand for professional tree services.

#### Reason for Sale:

The current owner is seeking to transition out of the business for lifestyle and long-term planning reasons. This is a genuine, orderly sale of a high-performing enterprise, presenting an excellent opportunity for a new owner to capitalise on the established brand and systems.
