COMMERCIAL WINDOW FURNISHINGS BUSINESS 5949

An exceptional opportunity to acquire a well-established commercial window furnishings business servicing South East Queensland's construction, healthcare, government and commercial sectors.

Operating successfully for more than 20 years, the business has built an enviable reputation for delivering quality solutions to builders, architects, project managers and commercial clients throughout the region.

Unlike many competitors, manufacturing is outsourced, allowing the business to operate with a lean structure, low overheads and minimal operational complexity. The business is supported by a small experienced team and proven systems, making it highly scalable and suitable for both owner-operators and industry buyers.

Key Features:

- Established for over 20 years
- Strong reputation and repeat client base
- Commercial, healthcare, government and construction sector exposure
- Relationships with builders, architects and project managers
- Lean operation with only 3 staff
- Manufacturing fully outsourced
- Asset-light business model
- Approximate annual turnover of \$1.4 million
- Significant opportunity for further growth
- South East Queensland location

This business would suit an existing trade or construction operator seeking expansion, a project management professional looking to step into business ownership, or an entrepreneur seeking a proven business with established industry relationships.

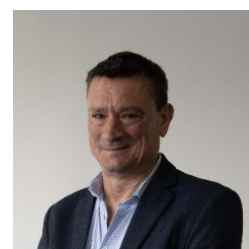

Well-established businesses with strong commercial relationships and low operational complexity are rarely offered to the market.
