

Window Furnishings Manufacturer & Installer Business for Sale Newcastle

For Sale

Location: **Newcastle**
Asking: **\$3,150,000 + SAV**
Type: **Manufacturing / Services-Home/Garden**

Established Window Furnishings Manufacturer & Installer | Newcastle & Hunter Region

A rare opportunity to acquire one of the Hunter Region's most established and respected window furnishings businesses.

For more than 35yrs, this highly profitable operation has supplied and installed premium blinds, shutters, awnings and associated products to homeowners, builders, renovators and commercial clients throughout Newcastle, Lake Macquarie, Maitland, Port Stephens and the wider Hunter Region and the Central Coast.

Operating from a prominent and highly accessible location surrounded by complementary homemaker and retail businesses, the business incorporates showroom, manufacturing, assembly, warehousing and dispatch functions under one roof. This integrated model provides excellent operational control, strong margins and a superior customer experience.

The business enjoys a long-standing reputation for quality workmanship, custom-made solutions and professional installation services.

A significant portion of products are manufactured or assembled in-house using a combination of locally sourced and imported components, providing flexibility, quality control and strong supplier relationships.

Key Features

- * Established and trusted brand with decades of successful trading.
- * Highly profitable with a long history of stable financial performance.
- * Large showroom, warehouse, assembly and dispatch facility in a prominent location.
- * Diverse revenue streams across residential, commercial and builder markets.
- * Manufacturing and assembly capabilities supporting strong margins.
- * Extensive product range including blinds, Curtains, shutters, awnings and outdoor living solutions.
- * Experienced team and proven operational systems in place.
- * Strong repeat business and referral network built over many years.
- * Significant barriers to entry through reputation, systems, location and industry expertise.
