### High Growth NDIS Registered Provider | Scalable Platform | Exceptional Expansion Potential

An outstanding opportunity exists to acquire a highly respected and fully registered NDIS provider that has established itself as a trusted leader in delivering quality disability support services across Southeast Queensland.

The business has experienced exceptional growth, doubling in size year-on-year over the past two years, supported by a strong reputation, diversified service offering and an extensive referral network. With more than 400 active participants, recurring revenue and a highly experienced management team already in place, the business is ideally positioned for continued expansion. With a multidisciplinary team, including support coordinators and support workers, for an all-round service approach this business is sought after.

Operating from two strategically located offices while also providing mobile services, the business has developed robust systems, comprehensive compliance procedures and a scalable operating model capable of supporting significant future growth.

#### Business Highlights

- Over 400 active participants
- Experienced management team in place
- Long-standing referral relationships with plan managers, medical practitioners, schools, allied health providers and community organisations
- Clinic-based and mobile service delivery model
- Significant organic growth opportunities throughout regional Queensland
- Highly scalable platform suitable for strategic expansion or bolt-on acquisition

Demand for quality disability services continues to increase across Australia, providing a compelling opportunity for strategic buyers, healthcare providers, allied health groups or existing NDIS operators seeking to expand their market presence through the acquisition of an established, profitable and professionally managed business.

This is a rare opportunity to acquire a premium NDIS provider with proven growth, strong management, established infrastructure and significant expansion potential.
