- \$500,000 Plant and Equipment included

This long established building company presents a rare ownership opportunity, combining a solid client base, considerable current revenues, and a accomplished operations team.

2026 Financial year projects to exceed \$8.5 million, and more than \$2 million of work is already scheduled for the first few months of next financial year 2027.

A loyal roster of tradespeople, supported by dedicated site manager and WHS compliance manager, ensures projects are delivered reliably and safely. The current owner estimator will provide an extended handover, preserving client relationships and transferring institutional knowledge, creating a smooth transition that protects both revenue and reputation.

Enviably relationships with Queensland State Government bodies provide recurring pipelines of commercial construction tender opportunities.

The balance sheet tells a story of consistency, the client list signals credibility, and the team promises continuity; together they form a turnkey platform ready for your strategic growth.

This is an ideal acquisition for a strategic buyer seeking immediate scale, guaranteed pipelines, and a seasoned workforce.
