Freehold Pet Resort & Lifestyle Opportunity

A standout opportunity to acquire an established pet accommodation and care business, offered together with the freehold property and on-site residence in one attractive Queensland lifestyle package.

Purpose built for pet care operations, the business provides dog and cat boarding, small dog daycare, grooming and related services from well developed facilities. The property offers space, privacy and strong live-in owner operator appeal, making it well suited to a hands on buyer, couple or family seeking income, lifestyle and property ownership in one acquisition.

Freehold Pet Retreat & Lifestyle Business features:

- * Freehold land, residence and operating business included
- * Multiple revenue streams across boarding, daycare, grooming and extras
- * Established customer base, systems, website and goodwill
- * Scope to increase occupancy and expand services, subject to approvals
- * Located in a highly desirable Queensland tourism and lifestyle region

This opportunity will appeal to animal focused buyers seeking a property-backed business with lifestyle upside and room for further growth.

Freehold & Business \$4,290,000

Further information will be provided after completion of a confidentiality agreement. To maintain an efficient and confidential process, enquiries are invited from suitably qualified purchasers with confirmed funding capacity.
