Leading Welding and Fabrication Business Darling Downs

An outstanding opportunity to acquire one of the Darling Downs' most respected heavy vehicle and fabrication businesses.

The business has built an outstanding reputation for quality workmanship, reliability and technical capability. The business services a loyal commercial client base and has established itself as a trusted provider to the transport, agricultural and industrial sectors.

The business offers a diverse range of services including:

- Heavy vehicle chassis modifications and repairs
- Engineering and drafting
- General fabrication and boiler making
- Heavy vehicle compliance work
- Sandblasting and industrial painting
- Repairs and maintenance
- Laser cutting and processing

KEY FEATURES

- Strong and consistent financial performance.
- Established reputation with an experienced workforce.
- Long-standing commercial customer relationships.
- Diverse income streams across multiple industries.
- Modern plant and equipment.
- Significant barriers to entry due to specialised skills and reputation.
- Excellent location.
- Proven systems and operational processes.
- Strong forward workload with committed projects providing immediate revenue for the incoming owner.

Buyer to negotiate new lease at time of purchase

The business is supported by a highly experienced team with many employees having been with the operation for years, providing continuity and allowing for a smooth ownership transition.

Whether you are an existing engineering or fabrication business seeking expansion, or an investor looking to acquire a well-established operation with experienced staff, this business presents an exceptional acquisition opportunity.

For more information about this opportunity, please contact Marc Phillips on 0455 150 990 or email marc@proactivebusinesssales.com.au
