Experienced operators could produce 1 ton of Halloumi daily, or Mozzarella - or 1-2 ton of Paneer the Indian community loves ?

This is a prime "cheese production premises" for Mediterranean or Italian cheeses.

This business has a rich history and was a family-owned cheese manufacturing plant located near Fawkner Victoria, Australiaan industrial hub north of Melbourne.

Specializing in dairy products like Halloumi, it was distributed to both retail and wholesale distributors, highlighting its focus on Mediterranean-style cheeses.

The facility features modern infrastructure, including a trade waste system of a triple interceptor and neutralizer pits, for efficient operations.

Excellent floor covering with an Epoxy floor.

This plant is great to buy for cheese manufacturing due to its prime location for logistics and access to Victoria's dairy supply chain.

As a small, established producer, it offers growth potential in Australia's artisanal cheese market, with room to scale production or introduce new lines while leveraging traditional recipes.

Installed also was Open grates and silt traps which were used along with super sleeve clay pipe to accommodate water temperatures over 80 degrees Celsius.

The land is approx 700Sqm and the building approx 445 Sqm.
