Established Lawn & Garden Maintenance Business | 30 Regular Clients | Turnkey Opportunity

An outstanding opportunity to acquire a well-established lawn mowing and garden maintenance business with a loyal client base of 30 regular customers and immediate recurring income.

Servicing residential homeowners and real estate agencies, the business has built a strong reputation for reliable, professional service. The sale includes all plant, equipment, and machinery required to operate, allowing a new owner to step straight in and generate income from day one.

With consistent cash flow, low overheads, flexible working hours, and excellent potential to expand the client base and services, this business is ideal for an owner-operator or an existing contractor looking to grow.

Business Highlights:

- * 30 loyal, recurring clients
- * Residential and real estate agency customer base
- * Immediate cash flow from settlement
- * All plant, equipment, and machinery included
- * Established reputation and proven trading history
- * Low overhead, owner-operated business
- * Excellent growth potential
- * Genuine retirement sale

Whether you're looking to be your own boss or expand an existing operation, this is a turnkey business offering a proven income and a solid foundation for future growth.
